

WANT TO SERVE ON SPEC'S BOARD OF DIRECTORS?

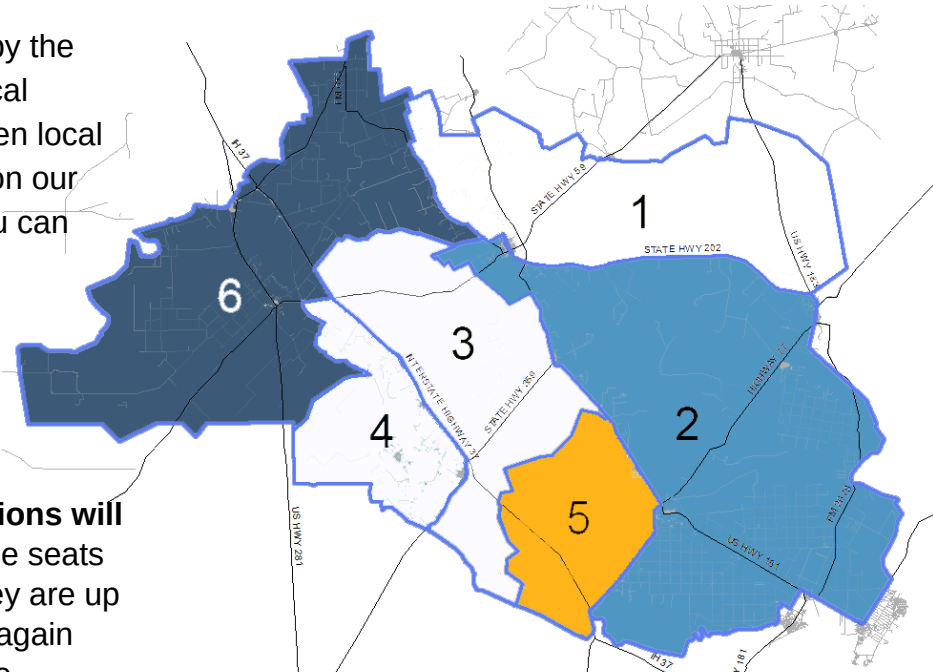

Learn More About our Nominating Committee and Election Process

San Patricio Electric Cooperative was built by the communities we serve and we answer to local members like you. We are governed by seven local members, who serve rotating 3-year terms on our Board of Directors. As a SPEC member, you can run for a position on our Board of Directors.

This year, we have four Director positions up for election. **The District 2 and District 6 positions will be elected for three-year terms.**

The District 5 and Director-at-Large positions will each be elected for a one-year term. These seats were previously filled by appointment, so they are up for election this year. Those elected will run again next year as part of the regular election cycle.

Nominees will be listed on our election ballots in September. The results of this election will be announced at our **Annual Members Meeting on September 10 at the San Patricio County Civic Center.**

ELECTION BALLOTS WILL ARRIVE LATE AUGUST

The Board has approved the use of mail-in and electronic ballots for the 2026 election. All ballots must be cast by 5 p.m. on September 2, 2026. Members voting by mail-in or electronic ballot will be counted as present for the purposes of determining a quorum at the Annual Members Meeting. Proxy voting and in-person voting is not permitted.

EXCERPTS FROM ARTICLES III AND IV OF THE COOPERATIVE BYLAWS (REVISED 5-03-11):

SECTION 3.09 - Member Voting. Upon presenting identification or proof of Cooperative membership as reasonably required by the Cooperative, and regardless of the value or quantity of Cooperative Services used, received, or purchased, each non-suspended Member may cast one (1) vote on any matter for which the Member is entitled to vote. Individuals voting on behalf of non-natural person Members must present evidence satisfactory to the Cooperative that the individual is duly authorized to vote for the non-natural person Member.

Unless otherwise provided by Law, the Articles, or these Bylaws, Members approve a matter and act if:

1. A Member Quorum is present; and
2. A majority of Members present in person or, when the option is made available to Members, voting by mail or electronically, who are entitled to vote on a matter, and voting on the matter, vote in favor of the matter.

If a Member does not attend a Member Meeting, then, unless the Member has otherwise properly voted by mail or electronically, when that option is made available to Members, the Member's spouse may attend the Member Meeting and vote as the Member's representative. All Members properly represented by a Member representative shall be counted in determining whether a Member Quorum exists. Members may not cumulate votes.

SECTION 3.10 - Member Voting by Mail or Electronically. Member voting by mail or electronically on any issue, including election of Directors of the Cooperative, shall be allowed if the Board so determines from time-to-time by Resolution of the Board. The method of casting votes by mail or electronically, the formats of any ballots for election of Directors or any other issue to be voted upon by the Members of the Cooperative, the procedures of mailing, delivering, counting, tallying ballots and certifying results shall be as determined by the Board from time-to-time by Resolution of the Board. Ballots shall be so printed as to be candidate-neutral or issue-neutral. In the event voting in person is also allowed at a Member Meeting on the same matter(s) voted upon by mail or electronic ballot, no Member may vote on such matter(s) in person at the Member Meeting if he has already cast a mail or electronic ballot on such matter(s). Results of any election or voting upon any other issue shall be certified and announced at the annual Member Meeting or any Special Member Meeting. When the option is made available to Members, the Cooperative shall accept votes submitted by mail or electronically on any matter as provided in these Bylaws as the Member's vote or action, and Members voting by mail or electronically shall be counted as present for purposes of determining whether a quorum is present.
